

# Green Cup Challenge

## FLORIDA GREEN CUP CHALLENGE

### INAUGURAL KICK-OFF MEETING

SATURDAY NOVEMBER 14, 2009 FROM 10 AM TO 2 PM

### SAINT ANDREW'S SCHOOL

3900 JOG ROAD, BOCA RATON FLORIDA 33434

IN THE SIEGEL FAMILY STUDENT CENTER

#### What is The Green Cup Challenge™ ?

The Green Cup Challenge™ is the first and only national student-driven interschool energy challenge. The GCC supports student greening efforts including recycling and water conservation, raises awareness and helps schools reduce their carbon footprint. In 2009, 120 public and private, day and boarding schools across 24 states reduced their aggregated carbon emissions by 2.5 million pounds, the equivalent of taking 220 cars off the road for one year! Greening our schools is a challenge and commitment, not a competition. We hope you will join other Green Cup Challenge™ schools nationwide to celebrate progress, build community and to work and win together.
